Frequently asked Question & Answers

1. Question about tuition

Tuition is collected at the beginning of every trimester, for the entire trimester. The dance year will include three regular class sessions and two summer intensives. Tuition can be paid monthly, per semester, or annually (10% discount). Please be aware that if you decide not to continue participating in the dance class, there are no refunds, no credits of tuition.

2. What discounts do you offer?

Students who pay annual tuition will get a 10% discount. The more regular classes you attend, the more discounts you will receive. There will be no discount given for multiple students from the same family. Credits cannot be transferred in between family members.

3. What if I missed the class?

Missed class can be made up by taking another class only if a notification is given at least 24 hours prior to the beginning of the class. Classes must be made up within one month of the class that was missed.

4. How many class hours do you recommend each week?

- Ages 3-5: 2 hours
- Ages 6-8: 3 hours
- Ages 9-11: 4.5 hours

5. How do I participate in the competition teams/compete in a solo?

You must meet the class requirements for competition teams. We may talk to you in private if your child has potential. If you are interested, please ask us as well and we will guide you through the process.

6. Why should you participate in competitions?

It will help the child to gain confidence, discipline, exposure, and improve in time management skills. We do want our students to succeed both academically and artistically hence they will have to learn to manage their time to succeed in both. Furthermore, these competitions will look good for their college application in the future. The students will also have many opportunities to be exposed to the art world and understand the importance of art for their future growth and development.
